

		9th GeolT Wherecamp 2019 - Draft Agenda	http://wherecamp2019.geoit.org/agenda/			
	09:00	Doors Open				
1	10:00	Opening by GeolT.org President	Prof. Dr.	Roland Wagner		Association for Geoinformatics, GeoIT and Navigation
2	10:10	Welcome by Host	Prof. Dr.	Martin Kada		IGG TU Berlin
3	10:20	Scenic Routing		Luca Osten		calimoto
4	10:40	Demand modelling based on geostatic data calibrated using mobile network data		Jesse Hinrichsen		civity Management Consultants
5	11:00	Smart Manufacturing and industrial RTLS	Dr.	Matthias Jöst		Heidelberg mobil international GmbH
	11:20	Morning Break				
		Indoor Session with Chair	Dr.	Michel Deriaz		Univercity of Geneva
6	11:40	Design Patterns of GeoData Driven Apps		Shoaib Burq		Geografia Pty Ltd
7	12:00	Indoor Wayfinding with the new Generation of Google Access Points		Darmir Zambelli		Senior Software developer, Navigine
8	12:20	Improving mobility for events		Chris Stelzmüller		CTO, triply
9	12:40	Infrastructureless Indoor Positioning & Navigation		Matthias Rosken		and Sebastian Schuster, Navvis
	13:00	Lunch Break				
10	13:40	Key Note: The foundation of GDI.NRW in 1999 – history inspiring the future		Markus Müller		SiG Architecture Chair GDI.NRW
11	14:00	Panel Discussion		everybody		
		Autodrive Session with Chair (requested):		Joseph Leigh		HERE Technologies
12	14:20	Mapping driver cognitive load		Markus Gräser		German Autolabs
13	14:40	Automated and connected driving in Berlin-Reinickendorf		Luca Ricci		Berliner Senatsverwaltung für Umwelt Verkehr und Kl
	15:00	Afternoon Break				
		Outdoor Session with Chair	Dr.	Robert Schönduwe		MotionTag
14	15:20	Crash Analysis System (CAS) – a crash data analytics and visualisation platform		William Jones		Orbica UG
15	15:40	UAV RTK-GNSS: finally a solution for forest mapping?		Stuart Krause		Hochschule für nachhaltige Entwicklung Eberswalde
16	16:00	Risk Management and Business Continuity enhanced approaches with realtime spatial infor	Markus	Müller		Head Public Sector, AED-Sicad
17	16:20	Assisted Intelligence - Mapping with support of new technologies		Felix Delattre		Humanitarian OpenStreetMap Team
	16:40	Closing with Beer & Wine				
18	17:00	GeolT.org Assembly				
19	18:00	Dinner: Café Hardenberg, nearby, Hardenbergstraße 10, 10623 Berlin
